

Thank you for your interest in applying to The International School of Amsterdam. Below you will find a list of required materials and supporting documentation needed to apply for a place in our school.

Should you have any questions about this process, please contact us at admissions@isa.nl

- Current ISA families and staff members with an ISA login account may **apply here**.
- Families who have not yet completed an on-line inquiry form should complete the **pre-application form** here. Once you have completed this form you will be sent an e-mail with your login details to access the admissions portal.
- Families who have completed an on-line inquiry or have already started an application may access the **Admission Portal** here.
- The application fee of €250 is payable through the admissions portal.

Required Admission Portal Items

Application Fee

Household Information

Student Application

Required Additional Materials

Two complete years of school records (and a progress report for the current school year, if applicable). Reports may be uploaded via the Admissions Portal

Teacher recommendation form

A recent digital photograph

* Please note that a complete set of school records, the teacher recommendation form, and any student work samples must be sent to the school within three weeks of submitting the application.

Applications for students who have received counseling, support, therapy, or who have diagnosed special educational needs should also include all relevant diagnostic reports and evaluation documentation for confidential review.

Course Selection

Students entering Grade 11 will be asked to complete a course selection document during / following the admissions review process.

Assessments

All non-native English speakers accepted to The International School of Amsterdam will be assessed for English proficiency. Students coming into Grade 11 must present Advanced-level competency. Please note that EAL support is not available for students in Grade 11 and 12.

Students entering Grade 11 will be assessed in a second language and mathematics. These assessments will aid our faculties in determining the best fit for each student.
