Language Course Offerings

The following information is provided to offer an overview of offerings in language learning. These tables should be read with a few important notes in mind:

- ISA policy sets a minimum number of students in a class at eight; low enrolment may preclude the offering of a course. Courses marked with an asterisk (*) are those that we predict might be close to this minimum enrolment.
- Grade levels and/or groups may be combined as necessary, and when possible.
- Not all language combinations can be accommodated.
- For students with mother-tongue languages other than those listed here, mother-tongue classes may be available on a tutored basis. Additional fees for these classes apply.
