

Coverage Zones

ISA offers a door-to-door bus service for families living within zones A, B and C as detailed in the map below.* Bus routes are served by mini-vans accommodating up to 8 students and routes are determined according to the addresses of the students involved. Please refer to the schedule of fees for information about bus costs.

Morning pick-up times vary according to the distance from school. Buses typically arrive at school between 8:00 and 8:15 and depart in the afternoon at approximately 15:40. Families may choose one of the three bus plans: mornings only, afternoons only, or mornings and afternoons.

*If a zone area is on the border and it is unclear what zone is applicable, please contact the Bus Coordinator before any arrangements are made.
