

Part-time Nursery & Pre-school

ISA is now offering part-time Nursery and Pre-School programmes to better meet the needs of our community by providing more flexible options for our early years students. We believe that these early years of education are crucial to a child's overall development and we are excited to now offer this opportunity on a part-time basis! Our Early Years programme is engaging and interactive to provide the best possible learning environments for children to develop.

Families are now able to choose a programme that best fits their child's and family's needs. A part-time option can be best for children who may not be fully ready to attend school full-time. It will also provide a helpful transition to full-time education in the future.

Students in the part-time programme will have access to their own classroom and teacher and will also be able to take advantage of the same specialised learning classroom spaces as full-time students. The Early Years area is a dedicated space on campus providing a safe, welcoming home for our young learners. This area includes playgrounds, kitchen, library, gym, music room and art atelier. Each of these spaces is purpose-built, and they have been thoughtfully designed to encourage play and build relationships in a safe and secure way.

2-day students would attend school on Mondays and Tuesdays.

3-day students would attend school on Wednesdays, Thursdays, and Fridays.

This part-time option provides a more affordable programme for families.

Part-time Annual tuition Fees

2-day: € 8,450

3-day: € 12,203

Please see our **[schedule of fees](#)** for payment schedules and additional information. Please note that the capital fee will be adjusted as follows for the part-time programmes:
