

Equipment & Supplies

Pre-School

Items	For all Pre-School children
Waterproof all-in-one outfit  Waterproof boots  Winter boots 	We play outdoors daily throughout the year. We encourage wet and messy play indoors and outdoors and so the children need appropriate clothing. All year round: • A lightweight rainproof all-in-one suit • Waterproof boots that can stay in school • Two spare sets of clothes to be kept in school including underwear, a top/t-shirt, pants/trousers and socks • A pair of indoor shoes. Children should wear shoes they can put on themselves. We encourage velcro. No laces please. For the colder winter months: • A winter heavy-weight waterproof all-in-one suit or snowsuit • Winter waterproof boots • A warm hat and waterproof gloves • Ski socks
School Bag	School bag (large enough to hold snack and lunch boxes)
Other items	For rest time, a small blanket, pillow and pillowcase will be provided by the school. Please send in a small soft toy for this time of day.

Additional Notes

Please note that Pre-School children do not change clothes for indoor physical activities. In Early Childhood, additional socks and footwear are not needed for PE lessons in the gym. The classes are conducted barefoot in order to develop each child's vestibular balance.

The ISA School Store sells some rainproof clothing and can provide information about other locations to purchase some of the above clothing items. The store also sells thermos flasks that can be used to keep food hot or cold.

PLEASE MAKE SURE THAT ALL ITEMS ARE CLEARLY LABELED WITH YOUR CHILD'S FULL NAME AND REPLACED IF LOST.
